Here's How!

Contest begins April 15, 2011 and ends June 30, 2011

The top two customers that invoice the most with Brown Lumber from April 15th until June 30th will each win one spot on the trip.

*Must invoice at least a total of \$50,000 from 4/15/11 to 6/30/11;
only one winning trip per customer/company

But don't worry—there's still another chance to win

For every \$5,000 invoiced between April 15th and June 30th, you will receive a ticket for a random drawing. For example, if you spend \$25,000 during this time period, you will receive five tickets for the drawing!

Two lucky winners will be drawn to attend the trip.

*Must invoice at least a total of \$10,000 from 4/15/11 to 6/30/11;
only one winning trip per company/customer
